1 Day Audition Workshop

Sunday 3rd September 2017 - 11am to 4pm

Are you aged 7-18 and a budding star who's always singing and dancing? Or do you have a natural performer in your family? Then come along to our 1 Day Audition Workshop for the chance to join Kidz R Us and to take part in our fabulous productions - and make loads of talented new friends!

The day includes sessions on acting, singing and dancing as well as theatre games and improvisation. They are all designed to help participants shine and show off their talents.

There will be an individual singing session - participants are welcome to bring along a backing track on CD to perform a song of their choice, but this is not compulsory as we can provide music for you.

Parents/guardians are required to stay for the first hour for a welcome introduction by our director and the chance to ask questions.

The audition workshop is FREE of charge - we just want you to bring your talent and enthusiasm.

Participants will need to tie back long hair and wear clothing and footwear suitable for lots of moving around. They should also bring a packed lunch.

To join the day, complete the form below or online at our website www.kidzrus.net.

Or you can phone us on 01736 797007 or call in to the box office.
